

Increases to Veteran's Pension abatement thresholds

From 1 April 2020, you'll be able to earn more before your Veteran's Pension reduces.

This is sometimes called the abatement threshold. To find out more, including the new threshold, visit the Work and Income website.

Work and Income page about the new Income Support Package starting 1 April (<https://workandincome.govt.nz/about-work-and-income/news/2020/income-support-package.html>)

If you have any questions about the changes or how they may affect you, please contact the Veteran's Pension Centre.

Contact details for the Veteran's Pension Centre, part of the Ministry of Social Development (<https://www.workandincome.govt.nz/about-work-and-income/contact-us/veterans-contacts.html>)

Date

28 February 2020
