Weekly payment rate

All payment rates are before tax.

Payment rates are in New Zealand Dollars.

Weekly payment amount

\$1,170.25

This payment is calculated as 80% of the average weekly wage.

If you live outside New Zealand

Your payments may be taxed depending on your location. This will depend on the country you live in.

Payment you receive from us may also be treated as income. This could affect you if you're receiving support from another country that is income tested.

We recommend you discuss your situation with the local authorities.
